Warranty Disclaimer Statements

- 1. NON-Quarry Tile Floor Policy** – “If installing on any NON-Quarry Tile floor (flooring other than quarry tile, cement or natural stone), contact the factory for installation options as damage due to improper installation is not covered under warranty.” – Applies to Southbend Ultimate and S Series Range.
- 2. Oversized Cookware Use Policy** – “IF oversized cookware is used on the front portion and hangs over onto the front rail, excessive heat may be driven and trapped in the front rail and can cause premature damage to the components housed there. This is easily avoided by never allowing cookware to overlap the front rail of the range. Electrical and other components housed in this area should see years of performance under normal intended use.” – Applies to Southbend Ultimate and S Series Range, Platinum Range and HD Counterline.
- 3. Cleaning Warning** – “DO NOT use sheet pans when cleaning charbroilers. Use of sheet pans reflects too much heat into a non-flued area and causes irreparable damage, warping components. Damage due to blocking the charbroiler grates with a sheet pan while the burners are turned on is not covered under warranty.” – Applies to Southbend Ultimate and S Series Range, Platinum Range and HD Counterline.
- 4. Middleby Water System / Installation** – “2-3 gallons of water MUST be purged at each cartridge change or new installation prior to water supply being fed to the steamer. Failure to do so can result in component damage within the steamer which is not covered under warranty. For additional guidance on proper installation, refer to install documentation provided with each Terry System and Replacement Cartridge Set.” – Applies to ALL Crown and Market Forge Steamers that require a water connection (i.e., auto-fill steamer models).
- 5. Mileage Limit for Factory Performance Checks** – Equipment that qualifies for a free factory performance check will include labor and mileage charges up to 100 miles round trip (or 50 miles each way) from the authorized service agency office. Locations further than 50 miles from the agency office may be charged an excess mileage fee to cover the mileage cost above the 100 miles round trip limit.
